

Trip to Blackheath

Tuesday - September 5

Join us for a magnificent day in Blackheath. We'll leave Little Bay at 8.30 for a drive to the *Day Fine Art Gallery* in Blackheath operated by art curators and restorers, Vince and Helen Day.

After a legendary Devonshire Morning Tea of hot scones, cream and local jam, we'll hear a talk on art restoration by Helen Day. Following Helen's presentation, we'll be free to wander the galleries, antiques stores and shops of heritage Blackheath.

back to Little Bay by 5:00
