Welcome to New Tenants

Members and visitors to the Centre in recent weeks may have noticed a lot of things being moved, delivered and sorted out! As Manager, I'm delighted to advise you all we are being joined by a number of new tenants.

The *Randwick Waverley Community Transport* CEO, Ben Whitehorn, and back office team are currently preparing to move into the space that was formerly our art gallery. Ben and his crew will be a lively addition to our regular faces at the Centre and are promising to put on the odd BBQ for all and sundry. Welcome Ben and Team.

Another new group joining us this year are the *Cape Banks Family History Society*. President Margaret Phillips and her partner Eric and CBFHS stalwarts, Diane, Rhonda, Lee, Lindsay and Helen are among the lovely group who will be in and around the Centre's Media Room (aka Computer Room) every Tuesday and Saturday running the CBFHS activities and group work. Welcome All, it's great to have you with us.

Also coming to the Centre on a frequent basis is the **Randwick Art Society.** It's great to have them in our Art Studio on Monday mornings.

THE CENTRE NEEDS A DAZZLING LOGO

Calling all members, artists or otherwise, to come up with a brand new logo for the Centre. The Centre doesn't have a logo as such. Different images have been used over the years for different purposes and there is an image that serves as a 'badge' or 'crest'. However, if you compare that image alongside Randwick Council's logo you will see the Centre is a little behind the times and needs a logo that is striking, exudes vibrancy, is immediately recognisable and conveys pride in being a member and pride in being a senior.

Entry Forms for this Competition can be found on our website and also in hard copy from Reception. Entering this Competition will cost you \$50.
